

Oasis Consulting and Trading Group LLC (OCTG LLC) provides business development, capture management, proposal management and acquisition/contract & construction management services to United States Department of Defense (US DoD) contractors and other US and foreign entities pursuing business activities with the US Government.

We assist contractors in understanding the US Federal solicitation, proposal and contract management process as well as the Federal Acquisition Regulations. We can also assist contractors with winning contracts with the US Federal Government and can assist in their successful execution and administration following award.

OCTG LLC has been in business since 2012 and is a UAE licensed and registered company. The service offerings for this business sector originated in 1995 under P2CAS Consulting LLC, Virginia, USA and migrated to OCTG LLC in 2012.

OCTG LLC is also registered on the US Government System of Award Management (SAM) consolidated contractor registry site.

OCTG LLC is jointly managed by Chuck Hayes who completed 34 years US Federal Service with the Naval Facilities Engineering Command, Atlantic Division. While assigned to NAVFAC he served in the position of Civil Engineering Technician, Construction Contract Negotiator and Senior Contract Specialist and remains a certified Defense Acquisition Professional (DAWIA), Level II. Mr. Hayes is also a Certified International Commercial Contracts Manager (CICCM).

OCTG LLC also specializes in assisting foreign contractors in qualifying and competing for US Department of Defense contracts. We can assist in developing a business plan and process to qualify and compete for US DoD contracts. Our services also offer guidance and assistance in contract management, project management and the administration and execution contracts with the US DoD.

We can provide guidance on the development of Quality Control Plans, Safety Plans, HAZMAT Control/Mitigation Plans and other plans required under the terms of the contract.

We look forward to hearing from you and assisting you with your business development requirements and successful responses to US Federal DoD contract solicitations.
